

## Serenity™

Serenity® Restful Blend combines powerful essential oils to help calm and relax when stressful feelings arise. It is ideal for use day and night, as it can help reduce everyday stresses and promote sleep.

- Apply a drop to the back of the neck or on the heart for a calming atmosphere.
- Creates a restful environment at bedtime.
- Inhale directly from hands or diffuse throughout the day for a soothing aroma.
- Apply to bottoms of feet at bedtime to help unwind before going to sleep.
- Encourages a tranquil atmosphere.
- Add to a warm bath with Epsom salts to create a relaxing, renewing experience.

## Serenity® Softgels

The doTERRA® Serenity™ Restful Complex Softgels harness the power of well-researched, historically-proven ingredients and the best of modern science for a calming night of quality rest.

- May support healthy sleep patterns\*
- Helps relieve occasional sleeplessness\*
- Supports healthy relaxation, making it easier to fall asleep and stay asleep\*
- Calms the nervous system\*
- Provides refreshing sleep without after effects the next day\*
- May improve the quality of sleep\*
- Provides non-habit forming, low dose, naturally occurring melatonin from tart cherry

## hygge™

The doTERRA® Hygge Diffuser instantly creates a cozy and comfortable atmosphere thanks to its beautiful, frosted glass top and warm flickering light.

Treasured family and friends will immediately feel warm and welcome with the sweet, woody Hygge™ Cozy Blend. Hygge (pronounced "hoo-gah") refers to finding joy in everyday moments and comfort in togetherness.

- Put one to two drops on cloths or wool balls and place in closets to keep linens fresh.
- Dilute and spray on upholstery for a cozy atmosphere.
